Tri-M Music Honors Society

On November 1st, 2017, Yorkville High School inducted 76 students into the first chapter of Tri-M Music Honor Society. At the ceremony, the Keynote Address was given by retired music educator Mr. William Jastrow. Throughout his 41 years in education, Mr. Jastrow has taught vocal and instrumental music, most recently in Indian Prairie School District 204. In addition, to being active as a clinician and conductor, Mr. Jastrow is widely regarded as one of the leaders in music advocacy, making him highly sought after as presenter and speaker.

Tri-M is a music honors society which allows student leaders of the music department to develop their role as "Modern Music Masters" through service and outreach. The talented musicians in Tri-M reach out to Yorkville's community to enrich other's lives with music. These devoted students have also volunteered at district concerts, taught music lessons to younger students, and

organized public concerts. Sponsored by faculty advisors David Smith and Bobby Vriezen, Tri-M chapter 2193 has elected its first executive board of student leaders, including: President, Reanna Panlilio; Vice President, Haley Nell; Secretary, Rachel Tassi; Treasurer, Hunter Negron; and Historian, Catie O'Connor.

Yorkville High School Tri-M is already making a huge impact on the Yorkville music program and is off to a wonderful start on building a foundation for years to come.

Elmhurst College

October 22nd was a musically rewarding day at Yorkville High School. To begin the day, music education students from Elmhurst College led sectionals with members of the Yorkville High School Wind Symphony and Wind Ensemble. (tuba/euphonium sectional pictured below).

Following the sectional, the Elmhurst College Wind Ensemble performed a concert for YHS music students. It was especially exciting to see Robin Campos, YHS class of 2015, perform on clarinet as a member of this ensemble. This performance was days before their annual

fall band concert, which this year was a tribute to Mr. Ross Kellan, who passed away in June.

Mr. Kellan dedicated his life to music education and inspired everyone around him with his cheerful nature and dedication to his students. Mr. Kellan continues to have a lasting impact on the students of Yorkville, as Mrs. Maggie Davis was a student of his at Glenbard East High School and Mrs. Julie Hensel was a student of his at Elmhurst College. The program featured some of Professor Kellan's favorite pieces for band, including Alfred Reed's Armenian Dances, James Barnes' Symphony No. 3, and some of his favorite Sousa marches.

8th Grade Band Performs at Homecoming

On Friday, September 29th the students of the YMS 8th Grade Band were once again invited to perform alongside the YHS Marching Foxes for pre-game of the varsity football game.

Students prepared The Star Spangled Banner and Yorkville Loyalty and took the field under the lights to perform in the mass band! 8th Graders get a glimpse into the life a YHS Marching Band member, from the pre-game rehearsal to the parade to the stadium and pre-game performance.

The students from YHS are always friendly and welcoming to the 8th graders and they remember this experience for a long time to come!

10TH ANNUAL RED

The 10th Annual Red Paw Chili Supper was held on Saturday, October 14, 2017. The Red Paw Chili Supper is a fundraiser held by the Yorkville Music Boosters to raise money for the music department of the Yorkville school district, who can then use this money for students involved in the various music groups established in the schools. Families throughout the district provide the wide variety of chilis made available to attendees, while the high school band, orchestra, and choir ensembles provide entertainment; in addition, those present can purchase tickets to enter into drawings for several raffle baskets with numerous prizes. This year, a record number of 26 chilis were donated for the event.

While the chilis made for the event are primarily meant to satisfy all who donated to the Music Boosters by purchasing a ticket, there is an additional and prominent competitive element to the chili supper. Each attendee is given a ballot upon entering the school which they can use to vote for their favorite chili of the ones that they tasted throughout the evening, further encouraging those who donate chili to provide their very best cooking. This year's most voted chili was the Kleyweg Family's Bar-b-que Chili, followed by the Zub Family's Chipotle Steak Chili in second place and the Schmidt Family's Fantasmic Chili as well as choir teachers Mr. Martinez's and Mrs. Vivich's Singer's Chili which tied for third.

On the entertainment side of the event, the supper began with performances by a few band and percussion ensembles, including a Horn Quartet, Sax Quartet, Drum Line, and Clarinet Choir. Next, the Chamber Strings played a variety of Halloween-themed music such as The Evil Eye and the Hideous Heart, a piece based on Edgar Allen

PAW CHILI SUPPER

Poe's The Tell Tale Heart, and the theme of The Addams Family. The following music sung by the Madrigals stood heavily juxtaposed to the previous selection, being comprised of more holiday and Christmas themed songs; the Madrigals will perform later this year for their annual Madrigal Dinners on Dec. 1-3.

After the actual supper had ended, those remaining at the event moved to the gym for a finale presented by the Marching Foxes. After a performance of the Marching Foxes Cadence, featuring the Marching Foxes Drumline, the band played different pieces that they have performed throughout their season, from William Tell and the Star Spangled Banner to selections from "Disney's Fantasmic."

Although the night ended with a downpour, everyone who attended the event had a great time!

The Yorkville Music Boosters sincerely appreciate those who donated food, equipment, supplies, and time to make this event a huge success. A grateful thank you to the fantastic Yorkville Music Booster families and area businesses who donated to the raffle baskets and the scrumptious varieties of chili with all the fixings, hotdogs, beverages and delicious desserts. Every person who came the supper helped make it a success

BRASS BAND EXPO

Sunday October 8th marked the first "Brass Band Expo" in the region and four students from Yorkville traveled to Trinity International University in Deerfield, IL to take part in the event.

Brass Band Expo was organized by members of the Illinois Brass Band and the Chicago Brass Band and designed to provide a free opportunity for students to learn about and experience an ensemble in the British Brass Band tradition. Students from several school districts

ranging from grades 7-12 spent the day working up several tunes with Dr. Jonathan Corry, culminating in a evening concert. Some students even performed on traditional brass band instruments like the Tenor Horn and Cornet which they just picked up for the first time earlier in the day.
